Those unable to be present and who desire to do so may send buying orders to any of the following reliable men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.

H. J. Gramlich, American Shorthorn Breeders' Ass'n., Chicago, Ill.

SINCE the Arnold Bros. purchased their first Shorthorns a dozen years ago, I have been familiar with all animals that have been selected for the permanent herd foundation and with the operating practices of the owners. This observation of Arnold methods has led me to make the wish on many occasions that all other Shorthorn breeding establishments could be founded and maintained with such intelligent effort.

Great care has been used in the moulding of Shore Acres Shorthorns—care in the selection of top individuals from the most successful herds in North America, care in the importation of choice animals from Scotland's most noted herds, care in the planning of matings, and care in the feeding development and health of the calves.

The results of this careful planning will be obvious on October 18th when the first draft of Shore Acres Shorthorns will be sold at public auction. Forty-two head will be sold, all but one bred on this farm. A glance at the pedigrees in this catalog will convince anyone that Shorthorns of such rich ancestry are seldom exposed for sale and an inspection of the cattle on sale day will cause visitors to agree with the writer that the cattle are just the kind that could be expected from such strong pedigrees.

In founding their herd, Arnold Bros., started at the top. The 42 compact, short legged, modern type animals in this sale were produced from the mating of these tops. That they are the kind that will help other breeders in their ambition to produce tops there can be no doubt.

I do not believe my sincere admiration and liking for the Arnold Bros., has caused me to be warped in my opinion of their cattle. Having studied the sources of supply for good seed stock rather carefully over a period of a good many years, I realize that some places provide better buying opportunities and a greater measure of safety than others. I think that Shore Acres Farm, under the guidance of Arnold Bros., is one of the best.

HAL LONGLEY *of The Shorthorn World*

Shore Acres Command, imported in dam, brings to our herd the very best blood of Scotland. He is a direct son of the noted Calrossie Command by Calrossie Control by Collynie Royal Leader. His dam, a Cluny bred Augusta, was by Cluny Goldfinder by Glastullich Sirdar by Naemoor Jasper. One bull and six heifers in this offering are by him. They will speak for themselves on sale day.

He was sired by Coldoch Silver Wedding, reserve champion at the Perth Show in 1937 and a direct descendant of the noted Collynie Royal Leader through his sire Bapton Crocus Leader. Ideal in his dark roan color and impressive in body form, Imp. Cruggleton Achtoi has sired a first crop of calves that closely approach perfection in beef type. Many of the females in this sale are safe in calf to his service.

the noted Calrossie Command, his dam was a daughter of Imp. Scotston Airman and his granddam was by Imp. Calrossie Lord Rothes. Such blood lines cannot fail to bring prestige and success to the herd of his new owner. Command's Masterpiece, without heavy fitting, was exhibited this year and was in the money at four leading State Fairs. We believe this bull will make a great name for himself and we hope he will have the right opportunity.

Command's Masterpiece—As yet we have not produced what we consider the "perfect bull" nor have we found him elsewhere. The closest we have come to perfection is Command's Masterpiece and we are very proud to offer him in our first sale. As his picture shows, he has the color, confirmation, smoothness of flesh and character to meet the requirements of any critical buyer. More than this, he is backed by ancestry that will insure his ability to reproduce his modern, blocky form. He is a grandson of

Brilliant Supreme 2d

Brilliant Supreme 2d—Represents a grand combination of those characteristics that most breeders are seeking in a herd bull. His dark red color is perfect. He has a very strong head, is level and true in his lines, carries his width evenly from shoulder to quarters and is blocky and compact in his makeup. More than this, he has the soft, pliable hide that is indicative of an easy feeder. His pedigree will bear most critical study. His sire was an International prize winner and his beautifully bred Victoria dam is a granddaughter of two International champions,

Imp. Calrossie Lord Rothes and Collynie Clipper Star. We recommend this calf very highly.

Shore Acres Leader

Shore Acres Leader—Will take with him to his new home a good show record, a very strong pedigree, and those individual characteristics which make for success. He stood right up at the top of the senior yearling class at four strong State Fairs this year, winning third in the open class and second in the Illinois class at the Illinois State Fair. He is an attractive dark roan, ready for heavy service and there should be no doubt about his ability as a sire. Note that his imported dam, selected from the famous Cluny Castle herd in Scotland for us by Clint Tomson, is a granddaughter of the noted Collynie Royal Leader.

Fairy Ring A. 2d

Fairy Ring A. 2d—We have a mixed feeling of both pride and sorrow in offering this beautiful heifer . . sorrow because we do not like to have her leave the herd and pride because we know she is the kind all good breeders admire. Her picture describes her perfectly and the fact that she has been well up in the money at many strong shows is enough of a recommendation. In our own buying we have sought far and wide for heifers like this one and with pedigrees to match. She is a member of the strongest family in our herd. We do

not hesitate in the assertion that she is a headline heifer in our sale and we are confident that she will be a top in any herd into which she goes.

Lady Dorothy A.

Lady Dorothy A.—Stood third in the strong junior calf class at the 1940 International Live Stock Show and she has been well up in the money wherever shown this year. We feel that she has about all the quality and character that can be crowded into a heifer and most certainly her pedigree will recommend her to anyone. Because she is the kind that many breeders will want to mate with their own herd bull, we have left her open for this sale. She is one of the best heifers we have ever produced at Shore Acres Farm.

Lavender Violet A.—Is exactly like her picture, beautiful in color, quality and conformation. We have never produced a smoother heifer nor one with better balance. She is a daughter of Shore Acres Command and this makes her a granddaughter of the noted Calrossie Command and a great granddaughter of Calrossie Control. Her dam is one of our best imported females and one of the select group of ten that Clint Tomson picked out for us when he was in Scotland. She is easily one of the most valuable foundation females that has been offered this year.

Missie of Shore Acres A.

Missie of Shore Acres A.—Here is a heifer that can win back her purchase price in the show rings next year if she is carried on properly. She is as smooth as an apple, has an even covering of mellow flesh, and is beautifully balanced. We have seen few heifers in the auctions we have attended that have more promise than this one and the judges at all 1941 shows have liked her well enough to place her in the money. In her two top crosses, she represents a combination of the blood of Collynie Royal Leader and Browndale Count. What more could anyone desire?

Dreadnaught Augusta B.

Dreadnaught Augusta B.—Is an extra choice heifer, very showy in her form and equally breedy in appearance. As her picture indicates, she has a sweet head, is level in her lines and has a blocky deep body. She is decidedly a show prospect. Her Bruce Augusta dam, selected for us by Will Johnson, has been one of our best producing cows.

Bonny Broadhooks A.

Bonny Broadhooks A—One of the best brood cows in our herd is the imported cow Scotston Bonny Broadhooks 3d, purchased by Clint Tomson for us from the herd of Major Robertson in Scotland. Evidence of this fact is shown by the two beautiful daughters of this cow that are listed in this sale. Bonny Broadhooks A. is the older of the two and she is just as good as her picture shows her to be. Best of all, she is in calf since April 17th to the service of our great young imported bull Cruggleton Achtoi. Here is an opportu-

ity to buy the very best of imported blood at your own price.
